**The Company Secretary,
Karachi Tools, Dies & Moulds Centre.**

Dear Sir,

This is in reference to your job advertisement in Daily Dawn dated 07 July 2024, for the post of Chief Executive Officer. I am applying for the same.

Presently, I am working in Fauji Fertilizer Bin Qasim Limited and searching for Senior Management Position. I have a great Technical and Management experience. Summary of my details are mentioned below :

Summary:

I am a competent professional with 27 years of experience in Project Management & Maintenance of stationary equipment in **Fauji Fertilizer Bin Qasim Limited (FFBL)** with 3 years as Mechanical Engineer in **Pakistan Maroc Phosphore – Morocco**.

I am presently working as Unit Manager – Equipment in FFBL and was an active member of plant erection and commissioning team (1996-1999).

Education:

Bachelor's degree in Mechanical Engineering from NED University - Karachi. (85%)

Master's degree in Engineering Management (Industrial) from NED University - Karachi. (CGPA 3.76 out of 4)

Certification:

Project Management Professional PMP® - Certification

Cover Letter along with my complete resume is attached, for your review and consideration, please.

Looking for a favorable response.

Best Regards.

Muhammad Bilal Qamar

Master's in Engineering Management (Industrial), BE (Mechanical), PMP®

Unit Manager (Equipment) - Maintenance Department (Fauji Fertilizer Bin Qasim Limited)
