Dear Sir

Kindly refer to your advert with subject title published in Daily Dawn dated July 07, 2024.

With thirty two (32) years of professional experience in sectors as diverse as Automobile (both OEMs and parts manufacturers) , Precision Engineering, Defense Manufacturing, Home Appliances, Processing Industries, Printing Industries, Power & Energy Sector and areas as varied as Engineering & Development, Reverse Engineering, Production, Quality Control, Production Planning and on commercial sides including Contracts Negotiations, Costing and related functions I maybe considered as most suitable person to lead a prestigious organization as KTDMC.

I hope that attached resume appropriate enough to warrant short listing for further processing of the case.

Best Regards

Muhammad Anas Jan
